## Dynamicweb Sub-data processors

Dynamicweb is using a number of third parties to process personal data on our behalf (sub-data processors). The sub-data processors have been carefully chosen and all of them comply with the legislation set out in the EU General Data Protection Regulation 2018 (GDPR).

The list may be changed from time to time and will be published at [www.dynamicweb.com/gdpr](http://www.dynamicweb.com/gdpr). The list will also be reviewed in connection with our yearly compliance review as set out in our Data Processing Agreement 10.4.
